Dear Dr. Kpaduwa:

The Mbanda National Assembly congratulates and rejoices with you, our brother, on your recent appointment as the Chairman of the Board, Imo State University Teaching Hospital. We also commend His Excellency Chief Ikedi Ohakim, the Executive Governor of Imo State for appointing qualified people in the right positions where they can exercise their expertise for the benefit of our State.

We are in no small measure delighted that our own is chosen to handle this rather important position. Your appointment is in recognition of your indefatigable struggle to the cause of Mbanda and Imo in general. We have no doubt that you will use your position to elevate the quality of service often a mirage in our present Polity.

As you join the team charged with implementing "The New Face of Imo Initiative", remember that " Mbanda bu ala anyi."

Again accept our hearty congratulations.

Sincerely,

---

Chief Louis Anumudu

MNA President
